16" Water Broom

Item Number: PA-P85400061

The 16" Water Broom Attachment is a powerful and efficient pressure washer accessory designed for fast, even cleaning of flat surfaces. Featuring a 16-inch wide spray bar with multiple nozzles, it provides consistent water distribution, making it ideal for cleaning driveways, sidewalks, patios, and garage floors. The durable construction and smooth-rolling wheels ensure easy maneuverability, while its efficient spray pattern minimizes streaks and water waste. Compatible with most pressure washers, this attachment is a great choice for both homeowners and professionals seeking a quicker, more controlled cleaning solution.
