Patron WPT-3

Trash Pump, 3"

Item Number: PA-WPT3

Patron trash pumps, driven by dependable Honda engines, are engineered to handle heavy-duty pumping tasks with ease. Designed to efficiently move water containing debris, solids, or sludge, these pumps are ideal for applications such as construction sites, drainage, and agricultural irrigation. With their powerful performance and rugged construction, Patron trash pumps ensure reliable operation even in the toughest conditions, making them essential equipment for professionals requiring effective dewatering solutions.

Features

- Suitable for handling water with dirt, grit and rocks up to 1"
- Lightweight aluminum pump body, with a cast iron impeller for added strength
- Steel roll cage with anti-vibration isolators
- Low oil alert
- Assembled in Canada
