Patron A7002B

Carbon (Charcoal) Filter, AS-550 & AS-650

Item Number: PA-A7002B

The Patron A7002B charcoal filter is a high-performance accessory designed specifically for use with the AS-550 & AS-650 air scrubbers. Engineered to effectively remove odors, volatile organic compounds (VOCs), and airborne contaminants, this charcoal filter enhances the air purification capabilities of the AS-550 & AS-650, ensuring cleaner and fresher indoor air quality.
