

Patron GH-9000

9000W Generator

Item Number: PA-GH9000

Introducing the Patron GH-9000 generator, a reliable powerhouse designed to meet a variety of power needs. With its robust 9000W 120V or 240V output, this generator is well-suited for both residential and commercial applications, from powering essential appliances during outages to providing backup power on job sites. Equipped with industry-proven components and built to withstand tough conditions, the Patron GH-9000 ensures dependable performance when you need it most. Whether for emergency preparedness or everyday use, this generator delivers peace of mind and reliable power supply.

Features

- Automatic low oil-shutdown
- Durable powder coated steel roll cage
- Weather-protected outlets
- LED floodlight
- Sub-Zero technology allows the engine to start in cold weather conditions
- Automatic CO detector automatically shuts down the generator before harmful levels of

- carbon monoxide accumulate
- Integrated wheels and handle for easy transport
- Automatic throttle control

Specifications

Fuel Source	Gas
Motor	389cc
Maximum AC Output	9000W
Maximum Continuous AC Output	6300W
Voltage (V)	120V / 240V
Start Type	Recoil
Max. Rated AC Amperage	52A @ 120V 26A @ 240V
Sound (Decibels)	67 dB @ 7m
Tank Size	25 L
Run Time (approx)	8 Hours (1/2 Load)
Engine Oil Type	SAE 10W30
Windings	Aluminum
Automatic Throttle Control	Yes
Certification	ETL, EPA
Weight (LBS)	169
Dimensions	20" x 27" x 22"
Outlets	3 X 120V 20A 1 X 120V/240V 30A Twist-Lock 1 X 12V DC
Warranty	3 Years
