Centurion Pump (CP) CTG2

Triplex Pump, 1" Shaft, 4400 PSI, 4.2 GPM

Item Number: PA-P85179175B

The Centurion CTG2 Direct Drive Triplex Pump - This is the powerhouse you turn to when raw pressure, serious flow, and reliability are all on the line. We designed this pump for pros who know what they need to get the job done - top-notch professionals who aren’t afraid to push their equipment to its limits. The CTG2 pumps out 4400 PSI and 4.2 GPM - that's brute force combined with precision engineering that won't quit. It’s built by CP (Centurion Pump) and backed by a rock-solid 7-year warranty - this pump is built to tackle the toughest jobs on your toughest sites, from heavy-duty fleet washing to construction, agriculture, and property maintenance. Whether you're swapping out a worn pump, upgrading your gear, or building a top-shelf pressure washer, the Centurion CTG2 is the clear choice for power, precision, and real endurance. It’s not just a component - it's the heartbeat of a high-performance cleaning system.
