Centurion Pump (CP) CTG1

Triplex Pump, 3/4" Shaft, 3800 PSI, 2.5 GPM

Item Number: PA-P85179185B

The Centurion CTG1 Direct Drive Triplex Pump is the favourite among pros and power users who won't settle for anything less than the ultimate in durability, output, and top-notch reliability. Built on the legendary CP (Centurion Pump) foundation and tweaked for heavy-duty commercial cleaning, this 3800 PSI, 2.5 GPM Triplex Pump turns any compatible pressure washer into a high-performance machine that can take on the toughest jobs with ease and efficiency. With a direct-drive gas configuration, 3/4-inch shaft, and built-in unloader, the Centurion CTG1 is designed to integrate seamlessly with a wide range of gas engines. Whether you're rebuilding a worn-out pressure washer, stepping up to top-grade power or replacing a damaged pump, the CTG1 delivers uncompromising performance from the first pull of the trigger.
