Patron A7003B

HEPA Filter, AS-650

Item Number: PA-A7003B

The Patron A7003B HEPA filter is a vital component designed exclusively for use with the AS-650 air scrubber. Required for optimal performance, this filter effectively captures fine particles and allergens, ensuring the machine operates at its best to provide cleaner and healthier indoor air quality. Easy to install and replace, the A7003B is essential for maintaining a safe and breathable environment.
