Milwaukee MXF365-0

MX FUEL™ 27 lb SDS MAX Demolition Hammer

Item Number: MI-MXF3650

Our MX FUEL™ 27 lb. SDS MAX Demolition Hammer delivers the power to remove concrete, block, and tile on both walls and floors. The POWERSTATE™ Brushless Motor delivers 26.1 Joules of impact energy, providing hard-hitting corded power to chip concrete confidently. REDLINK PLUS™ Intelligence ensures optimal tool performance and overload protection in tough applications. The MX FUEL™ REDLITHIUM™ FORGE™ batteries deliver instant power and ease of use, removing the hassles of cords, tripping hazards, running generators, and outlet chasing. The push-button start provides instant power and reliability to complete the job in any location. Paired with our MX FUEL™ REDLITHIUM™ FORGE™ XC8.0 Battery Pack, you can chip 1.5 tons per charge, which equates to a 63ft long by 4in deep trench or 33 minutes of continuous trigger on-time. The AVS Anti-Vibration System minimizes vibration, reducing fatigue over extended periods of use. VACLINK™ Wireless Dust Control enables the direct activation of compatible dust extractors from the tool, enhancing efficiency. Additionally, this cordless demolition hammer is compatible with ONE-KEY™ to track and manage inventory.

Features

- Generates corded power delivering 26.1 Joules of impact energy
- Provides a Faster Setup with no cords, no tripping hazards, no generators, and no outlet chasing
- 33 minutes, 1.5 tons per charge with the MX FUEL™ REDLITHIUM™ FORGE™ XC8.0 Battery Pack
- Two-Speed Modes for maximum accuracy and precision
- Chisel Adjustment allows the user to adjust the bit for operating versatility
- AVS Anti-Vibration System minimizes vibration for maximum comfort
- Ergonomically designed top handle for improved gripping locations
- LED Work Light to illuminate working surface
- VACLINK™ Wireless Dust Control: Ability to activate a compatible Dust Extractor or Vacuum directly from the tool, increasing efficiency on the jobsite
- ONE-KEY™ Compatible: Ability to Track and Manage tools for increased productivity and investment protection
- 2-Year Battery and Equipment Warranty
- Compatible with all SDS MAX accessories, including the SDS MAX Side Load Ground Rod Driver
