

Milwaukee MXF314-2XC

MX FUEL™ 14" Cut-Off Saw

Item Number: MI-MXF3142XC

The MX FUEL™ 14" Cut-Off Saw delivers Instant Starts with Zero Emissions. Full 14" capacity gives you the ability to cut up to 5" depths in a large variety of materials. The POWERSTATE™ Brushless Motor delivers the power to cut through a wide range of tough materials from concrete to rebar and ductile iron. The MX FUEL™ REDLITHIUM™ battery pack provides 6 feet of full depth concrete cutting or 72 pieces of #5 rebar cut per charge. It delivers instant power with none of the gas headaches. This means fewer wearable parts, less noise and vibration, and zero emissions for a safer workspace indoors or outdoors. It is compatible with all MX FUEL™ REDLITHIUM™ batteries, the hardest working most reliable power for equipment. The push button activation eliminates the repetitive motions of a pull start and gives you the ability to cut materials faster from start to finish, reducing your downtime and allowing you to get jobs done faster. REDLINK PLUS™ Intelligence ensures optimal tool performance and provides overload protection to protect the machine and battery during the toughest applications. The MX FUEL™ 14" Cut-Off Saw is ONE-KEY™ Compatible: Track, manage and secure equipment from your mobile device or computer using the industry's largest Bluetooth® community tracking network. If ever lost or stolen, prevent tampering with remote lockout capability.

Features

- Fully cordless - No gas headaches
- The fastest cuts from start to finish
- 14" capacity gives you the ability to cut up to 5" depths
- A 20mm/1" arbor adapter is included to prevent wasted time searching for a compatible blade
- ONE-KEY™ Compatible - Track, manage and secure equipment from your mobile device or computer
- Onboard water connection with universal quick connect hose
- The push button activation requires 97% less effort than a recoil start
- Wheels on the front of the saw help create a straight, consistent cut with less strain
- Runtime with 2 XC batteries: 14-ft in concrete (5" depth)
- Runtime with 2 XC batteries: 8 cuts in 8" ductile iron pipe
- Runtime with 2 XC batteries: 52 cuts in 8" pvc pipe
- Runtime with 2 XC batteries: 106-ft in corrugated deck
- Runtime with 2 XC batteries: 22 cuts in 8" cinderblock
- Runtime with 2 XC batteries: 10 cuts in 8" cast iron pipe

Specifications

Blade Diameter	14"
Cut Depth	5"
RPM	5350
Weight (LBS)	32.1 LBS
Width	12"
Length	31.73"
Height	13.93"
Warranty	2 Years
Battery Warranty	2 Years
