Patron FD-12B

12" Heavy Duty Duct

Item Number: PA-FD12B

This 12" x 25' PVC air duct is designed for optimal performance with the Patron FA-12 fan, offering a durable, flexible solution for efficient air movement in ventilation systems. Made from high-quality PVC, it provides excellent resistance to wear and tear. Ideal for both residential and commercial use, this air duct features an integrated storage bag, making it easy to store and transport when not in use. With simple installation and reliable airflow distribution, it’s the perfect choice for a variety of HVAC setups.

Features

- Straps included on each end
- Temperature Rating: -40°F - 200°F
- Integrated storage bag
